

MEDROVA INDEPENDENT CONTRACTOR & PLATFORM USAGE AGREEMENT

This Independent Contractor & Platform Usage Agreement (“Agreement”) is entered into between **Medrova** (“Platform”, “Company”, “We”, “Us”, or “Our”) and the healthcare professional registering on the Medrova platform (“Contractor”, “You”, or “Your”).

By creating an account, completing the onboarding process, and accepting shifts through the Medrova platform, the Contractor acknowledges that they have read, understood, and agreed to be legally bound by the terms of this Agreement.

1. Nature of Relationship

Medrova operates solely as a technology-enabled marketplace and aggregator that connects verified healthcare facilities, clinics, hospitals, and medical establishments (“Clinics”) with verified healthcare professionals (“Contractors”) for temporary, locum, contractual, or permanent healthcare opportunities.

The Contractor shall act as an independent contractor at all times. Nothing contained in this Agreement shall be construed to create any employer-employee relationship, partnership, agency, joint venture, or fiduciary relationship between Medrova and the Contractor.

The Contractor shall not be entitled to any employment-related benefits from Medrova, including but not limited to provident fund, gratuity, paid leave, insurance coverage, bonuses, worker’s compensation, or employee benefits of any kind.

2. Role of Medrova

Medrova provides a digital platform that facilitates:

- Discovery of healthcare job opportunities and locum shifts;
- Communication between Clinics and Contractors;

- Payment facilitation services.

Medrova does not:

- Provide medical or healthcare services;
- Supervise or control the Contractor's clinical judgment or medical practice;
- Determine treatment methods or patient care decisions; or
- Exercise control over the Contractor's working hours, conduct, or professional responsibilities at any Clinic.

All professional and clinical services are rendered solely by the Contractor under their own professional responsibility.

3. Payment Collection & Escrow Authorization

The Contractor hereby appoints and authorizes Medrova to act as its limited payment collection agent solely for the purpose of collecting shift fees and related payments from Clinics on behalf of the Contractor.

3.1 Clinic Payments

To confirm and secure a booking, the Clinic shall remit the agreed shift fee to Medrova prior to commencement of the assignment.

3.2 Contractor Payouts

Upon successful completion of the shift, as verified by the respective Clinic, Medrova shall process and remit the applicable payment to the Contractor's designated bank account within the standard processing timeline, typically between 24 to 48 business hours.

3.3 Payment Recognition

The Contractor agrees that any payment made by a Clinic to Medrova shall be deemed equivalent to payment made directly to the Contractor.

3.4 Platform Fees

Medrova reserves the right to deduct applicable platform fees, commissions, taxes, transaction charges, or other agreed deductions prior to remittance of payment to the Contractor.

4. Contractor Responsibilities & Compliance

The Contractor represents, warrants, and agrees that:

- They possess a valid, active, and unrestricted license, registration, certification, or authorization required to practice their profession in India;
- All information and documents submitted during onboarding and KYC verification are accurate, authentic, and up to date;

- They shall maintain professional conduct at all times while engaged with Clinics through the platform; and
- They are solely responsible for payment of taxes, statutory obligations, professional indemnity insurance, and regulatory compliance applicable to their services.

The Contractor further agrees to comply with all applicable healthcare laws, data privacy obligations, and professional regulations in India.

Medrova acts solely as an intermediary technology platform and shall not be liable for:

- Any medical negligence, malpractice, misconduct, or omission by the Contractor;
- Any disputes arising between the Contractor and a Clinic;
